## Online Sport Management Degree Ranked No. 5 by OnlineU

August 18, 2016

According to [OnlineU](#), the School of Health and Kinesiology's online Sport Management master's degree was recently ranked fifth out of 25 similar online sport management programs across the nation for the [2016 Best Value Online Colleges for Online Sports Management Degrees](#). To be considered for the ranking, schools needed to offer a minimum of one

fully online degree in the subject of sport management at the bachelor's level or higher. Criteria for the rankings included available degrees, tuition rates and details regarding program coursework.

After completing the 36-hour credit, online Sport Management program at Georgia Southern, students are equipped with the skills and techniques necessary to be successful in the sport business and leisure field. The Sport Management Program can be completed in 24 months. Sport Management is one of the fastest growing fields of study in the country and is well established at both the undergraduate and graduate levels at Georgia Southern.
